

GARDENING TOOLS

TEKIRO has a range of gardening tools which includes Pruning Saw, Pruning Shears and Multifunction Scissors are ideal for gardening hobbyists and professionals. Our ergonomic design combined with quality manufacturing ensure that everyday gardening is easy and enjoyable.

- **ERGONOMIC HANDLE**
The ergonomic handle and slightly angled handle shape and soft handle parts allow the saw to lie comfortably and safely in your hand.
- **EFFORT-SAVING SAWING**
Outstanding ergonomics, high-quality materials (SK5) provide great sawing performance with little effort ensure easy sawing.
- **SMOOTH CUT**
The high quality material, triple teeth saw blade, impulse-hardened teeth cuts branches with precision. Starting a saw cut is considerably easier.
